Transferable Skills

Leadership, Motivation – As an Assistant Coach I have worked with a variety of students at different levels and ages and I have developed a good understanding of how motivation is relative and essential to efficient work performance. I have also managed small and large groups of students and I understand the responsibilities that are involved in leadership such as delegating workloads to groups and encouraging productive team work.

Achievements

- Ex-GB representative in Taekwondo and have achieved medals in national and international competitions.

Interests

- I enjoy programming and learning new industry related techniques for developing
- Driving License: Full Clean
